ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Lafourche Parish Housing Authority is a medium size PHMAP Standard-Performer agency located in Lafourche Parish, Louisiana. The HALP manages 276 units of public housing in six developments.

The mission of the HALP is:

The Lafourche Parish Housing Authority is committed to excellence in providing quality housing and an environment which will ensure all Residents opportunity, access to resources, and the expectation that our communities will be a safe, secure place to live and realize their potential.

To achieve the mission statement we will:

- Recognize Residents as our ultimate customer;
- Improve Authority management and service delivery efforts through effective and efficient management of Authority staff;
- Seek problem-solving partnerships with Residents, community, and government leadership; and
- Apply limited Authority resources to the effective and efficient management and operation of public housing programs.

The HALP will accomplish its mission ideals through its goals and objectives:

- A. Providing decent, safe and affordable housing in your community.
- B. Ensuring equal opportunity in housing for everyone.
- C. Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.
- D. Improving community quality of life and economic vitality.

- E. Increase resident participation through resident council and/or advisory committee.
- F. To provide timely response to resident request for maintenance problems.
- G. To return vacated units with new residents in 20 days.
- H. To continue to enforce our "One Strike" policies for residents and applicants.
- I. To improve and/or maintain our financial stability through aggressive rent collections and improved reserve position.

The HALP's financial resources include an operating fund, capital fund, dwelling rental income and Section 8 Administrative fees which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

The HALP has assessed the housing needs of Raceland and surrounding Lafourche Parish area and has determined that it is currently and will continue to meet the housing needs of the community to the extent practical for a medium agency. The HALP has approved a Deconcentration Policy and will utilize Local Preferences to attract and encourage applicants that can qualify for public housing. The HALP has determined that its housing strategy complies with the state of Louisiana's Consolidated Plan

The HALP has updated and rewritten its Admissions and Continued Occupancy Plan, Dwelling Lease and Grievance procedures to comply with all QHWRA requirements. The HALP has established a minimum rent of \$50.00 and established market value flat rents to replace its ceiling rents.

The HALP has conducted a physical needs assessment to determine its modernization requirements and has developed an Annual and 5 year Action Plan to address its Capital Improvements.

The HALP has no plans to demolish or dispose of any of its properties. The HALP has jointly addressed with the local police department to develop safety and crime prevention that adequately meets the needs of its residents.

The HALP has developed an agency wide Pet Policy that allows any family to have a pet if they follow a set of rules.

Our Policy for Violence Against Women Act (VAWA) is as follows: The HALP shall not deny admission to any applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission. This language has also been incorporated into the ACOP.

The HALP has certified that it has and will continue to adhere to all Civil Rights requirements and will affirmatively further fair housing. In addition, the HALP has included a copy of its most recent fiscal year audit reports as part of the documentation made available for public review during the 45 days prior to submission of HALP's Agency Plan to HUD before July 18, 2007.

Because the HALP is a PHMAP Standard-Performer, it was not required to respond to the following Annual Plan components.

Required Attachment A - Deconcentration Policy

Adopted: 6/16/99

Effective: 6/18/99

Deconcentration Policy

It is the policy of the Housing Authority of Lafourche Parish (HALP) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the (HALP) is to house no less than 40% of its (HALP) inventory with families that have income at or below 30% of the area median income by public housing development. Also the (HALP) will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the (HALP) does not concentrate families with higher income levels, it is the goal of the (HALP) not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income, by development, on a monthly basis by utilizing income reports generated by the (HALP's) computer system.

To accomplish the deconcentration goals the (HALP) will take the following actions:

- A. At the beginning of each fiscal year, the (HALP) will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 - 1. Housing not less than 40% of the (HALP) inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - 2. Not housing families with incomes that exceed 30% of the area median income in development that have 60% or more of the total household living the developments with incomes that exceed 30% of the area median income, the (HALP) Tenant Selection and Assignment Plan, which is a part of this policy, provides for the utilization of "Local Preferences" with regards to selection of applicants to meet the priorities of the policy.

Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2007 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA re-instituted its Community Service program and has been discussed with residents and each adult member of every household.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2007.

Attachment I: Criteria for Substantial Deviation and Significant Amendments

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

The Public Housing Authority's (PHA) Definition of Substantial Deviation and Significant Amendment or Modification is as follows:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not intended in the current Annual Statement) or change in use of replacement reserve funds under the Capital Fund; and
- Any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

Attachment J: Community Service and Self-Sufficiency Programs

"Component 12 PHA Community Service and Self-Sufficiency Programs" Implementation of Public Housing Resident Community Service Requirements

The Lafourche Parish Housing Authority has taken the following steps:

- PHA has already incorporated the Community Service requirements into their Board approved Dwelling Lease and Admissions and Continued Occupancy policies.
- Utilizing a review of all resident files and obtaining any necessary assistance from TANF Agencies, The Authority shall verify requirement or exempt status of each adult family member.
- PHA shall provide written notification to each adult family member as to status: Community Service/Self-Sufficiency required (96 hours/lease year) or Community Service/Self-Sufficiency exempt. Notification shall describe the service requirement obligation.
- PHA shall identify program administrator(s): Third party, duly elected resident council or, the Authority itself. Adult family member(s) required to perform Community Service shall obtain from the Program Administrator(s) signed certification of compliance to be verified by the Authority at least 30 days before the renewal of the lease agreement.
- Specific activities available to fulfill the Community Service Requirement and such corresponding third party entities (schools, hospitals, churches, etc.) providing these activities shall be identified and made available to those adult family member(s) who must fulfill the requirements.
- Community Service activities identified by PHA include but are not limited to:

Library Volunteer
Hospital Volunteer
Neighborhood Watch Volunteer
PTA Participation
In-School Teachers Aide
Church Out-Reach Volunteer

Attachment K: Summary of Policy and Program Changes

Summary of Policy and Program Changes

The PHA has not made nor intends to make any major policy or program changes in 2007. Local preferences were established and will not change, rent policies remain the same, community service policy parameters were included in our lease and ACOP, and were implemented on 10/1/01, and our family development pet policy had already been implemented. VAWA has also been incorporated into our ACOP.

Attachment L: PHA's Policy on Pet Ownership In Public Housing Family Developments

NO PIT BULLS OR ROTTWEILERS WILL BE PERMITTED

Cats Cats must be spayed or neutered and be de-clawed or have scratching post, and should not exceed fifteen pounds (15 lbs.).

Rodents Rodents other than hamsters, gerbils, white rats or mice are not considered common household pets. These animals must be kept in appropriate cages.

Reptiles Reptiles other than turtles or small lizards such as chameleons are not considered common household pets.

Exotic Pets At no time will the PHA approve of exotic pets, such as snakes, monkeys, game pets, etc.

- 2. No more than one (1) dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of twenty (20) gallons shall be permitted. A Resident with a dog or cat may also have other categories of "common household pets" as defined above.
- 3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner's housing unit for the purpose of handling, but shall not generally be unrestrained.
- 4. Only one (1) dog or cat is allowed per household. NO PIT BULLS OR ROTTWEILERS WILL BE PERMITTED. All dogs and cats will need to be on a leash, tied up, or otherwise restrained at all times when they are outside. Neither dogs nor cats shall be permitted to run loose.
- 5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, PHA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
- 6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.
- 7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.).

Attachment L: PHA's Policy on Pet Ownership In Public Housing Family Developments

- 8. Visiting pets are not allowed.
- 9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.);
 - b. Proof of inoculation and licensing;
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a Resident of the community;
 - d. Payment of a pet deposit of \$100.00 to defray the cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a Resident for repair of damages done on an ongoing basis by a pet. The Resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection; and

Type of Pet	Pets Name	Inoculations (type and date)		
License Date	Spay or Neuter Date			

e. If a Resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after twenty-four (24) hours have elapsed, the Resident hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall PHA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure. The PHA strongly advises Resident to obtain liability insurance.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.

Name	Address	Phone (day)	Phone (night)

10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the PHA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet. The PHA accepts NO RESPONSIBILITY for the pet under any circumstance. The PHA strongly advises resident to obtain liability insurance.
